

My Dear Loved Ones:

In Psalm 103:15, God says, “ As for man, his days are like grass; / As flower of the field, so he flourishes.”

Man's life is very short. Grass and wild flowers, so brief in their glory, are a favorite theme in the Bible. This reminds us of Isaiah 40:6-8 saying, “All flesh is grass... / The grass withers, at the flower fades... / Surely the people are grass. / the grass withers, the flower fades, / But the word of our God stands forever.” Do you notice those Words, loved ones? Even though there is uncertainty about our lives in this day and age, there is massive certainty about God's Word. In other words, as long as we are anchored to the Word of God, our lives are built on something solid!

Jesus told a few parables about grass and flowers, such as in Matthew 6:28-30. Since God cares for things as fragile as flowers, how much far greater care do you think He has for you, loved ones?

Stop today and remember that God gives us security. We only know what He is like through His Word, which gives us security. And He cares for us through the difficult situations in life that seem to take our security away. It's never taken away as long as we have the Lord. Thank Him today for His Word and His care for you. Don't you believe that He will take care of you?

Praying for you today, my loved ones.
